

Supplementary Figs. Confusion matrixs

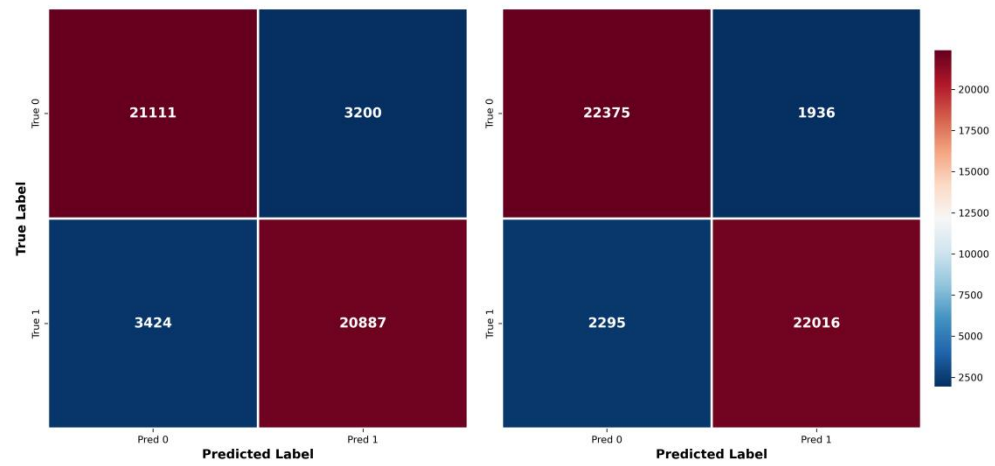

Supplementary Fig. 1. Confusion matrix comparison between promoter-only and RNAP-fused models in *B. subtilis*.

Supplementary Fig. 2. Confusion matrix comparison between promoter-only and RNAP-fused models in *S. cerevisiae*.

Supplementary Fig. 3. Confusion matrix comparison between promoter-only and RNAP-fused models in *A. thaliana*.

Supplementary Fig. 4. Confusion matrix comparison between promoter-only and RNAP-fused models in *M. musculus*.
